

Amendment of the Drawings

A Replacement Sheet of Drawings for Figure 4 is included herewith including the Examiner's proposed correction. Box 404 is now labeled "CPU" and box 406 is now labeled "Magnetic Memory."

REMARKS

Claims 1-12 are pending in this application. Claims 13-16 have been cancelled.

Typographical Errors in Previous Response of January 17, 2006

The errors of NRAM (claim 4), MRIN (claim 5), and MRAN in claims 7, 10 and 13 were typographical errors and were not intended as amendments. Claims 1-5 and 7-12 remain unamended, and the original designation on these claims is correct. The current copy of claims 1-5 and 7-12 reflects these claims as filed in their original form.

Drawing Objection

Figure 4 was objected to for having unlabeled boxes 404 and 406. As proposed by the Examiner, a **Replacement Drawing Sheet** is enclosed herewith with box 404 labeled "CPU" and box 406 labeled "Magnetic Memory."

35 U.S.C. 102 Rejections for claims 13-16

Claims 13-16 have been cancelled.

Provisional Nonstatutory Double Patenting Rejection for claims 1-16

A **Terminal Disclaimer** is enclosed herewith to overcome the provisional nonstatutory double patenting rejection with respect to the remaining claims 1-12.

An **Information Disclosure Statement** is enclosed herewith.

Conclusion

Pending claims 1-12 are believed to be in condition for allowance, and applicant respectfully requests a notice of allowance.

Date: *July 10, 2006*
